MAY, 2016

What a Year it has been!

Thank you all so much for your contributions to the PES students and staff this year! So many wonderful memories were made this year together and much growth and learning took place inside this building. Please stay involved this summer by reading with your child(ren) and using travel opportunities to journal and write. Have your child map out trips and estimate gas costs and mileage. These real-life applications can make a tremendous difference in problem solving and life skills. The Computer Lab page on our PES website has several links that your child can use this summer to main-

tain skills in reading and math.

PES Nature Trail– An update on our PES Strategic Plan– Please take an opportunity to walk through the perimeter grounds of PES. You will find many wonderful areas that have been created for outdoor learning opportunities. Most recently, a new addition was made to our nature trail. An outdoor musical area which was constructed by a former Cary Woods student who completed this project as part of his Eagle Scout badge is available for students to use. We are so fortunate to have the beautiful

grounds of PES to learn and grow!

ACS 2016-2017 School Calendar is on the ACS web-page. Please refer to this calendar when planning any trips next year. First day of school for students will be August 9, 2016.

PTO needs your help next year! If you would like to get involved with the PES PTO, please contact our PTO president, **Ashley Hamberlin.**

SUPPLY KITS ON SALE! Avoid the mad rush at the store in August and order your child's supply kit online. There is a link on our school webpage. Your child's kit will be delivered to your child's teacher on the first day of school ready for school to start. Simply order online between May 3 and June 3. The link is: **www.shopttkits.com** School code **95703**

Please make checks payable to: PES PTO

Handbook 101 reminders:

If you have not done so, please register your child(ren) for school next year. The # of students enrolled determines the # of teacher units for each grade. Please register your child today!

Please check the PES website this summer for updated information on back to school events and news!

- **SUMMER READING PROGRAM at the Auburn Public Library!** Please sign your child up for the Auburn Public Library Summer Reading Program. Students will set their own reading goals then, work to qualify for prizes and recognitions.
- **Avoid the Summer Slide**– be sure your child reads and practices math fact fluency throughout the summer!
