

AJHS Yearbook Staff Application 2017-2018

Dear Seventh Graders,

I am so excited that you are interested in applying for the yearbook staff. Everybody must apply to be considered. Yearbook will be an alternating day course this year. To be considered for a position on our staff, you must answer each of the following questions on this application. Prior experience on a yearbook staff is not required to apply.

I am looking for committed students that understand the responsibility that comes along with being on the yearbook staff. Keep in mind that you will be responsible for attending different extracurricular activities to take pictures and complete write-ups throughout the entire school year.

You will be expected to work in groups and as an individual. You must also be willing to put in the time necessary to produce the best yearbook that represents the entire junior high. Everybody will respect each other on and off the yearbook staff. This is not a study hall and students are expected to work on a daily basis.

Students who do not maintain the above criteria throughout the school year will be removed from the staff. We look forward to a fun-filled year making memories for the entire school!

Sincerely,

Ms. Ferrell

The application must be turned in to Mrs. Bishop by Friday, March 3, 2017. Late applications will NOT be accepted.
