Parent Information Night!

Your attendance will enter your student in a drawing to receive a scholarship valued at \$500.

Participation in the Dual Enrollment Program at Southern Union State Community College can enhance your child's high school and college experience by allowing them to get a jump start on their college education or career by taking college courses while still in high school!

Dual Enrollment:

- Is available in academic transfer, technical education and EMS
- Helps provide a seamless transition to college
- Lowers the cost of an undergraduate degree and shortens the time it takes to earn a four-year degree
- Provides a wider range of course options for high school students
- Increases potential to enter a career sooner by taking courses in EMS or a technical field

Who can enroll:

- Students must be in grade 10, 11 or 12
- Students must have a minimum cumulative (unweighted) high school grade point average of 2.5 on a 4.0 scale
