Sight Words - 3rd Nine Weeks

One Last Thing...

We are so excited to travel next week! Our plans are coming along, and we are planning, measuring, reading, recording, and writing about all of the things we are learning. We can't wait to share those things with you. Have a great weekend! ☺

Heather Donaldson

Happy Birthday, Dr. Seuss!

hdonaldson@auburnschools.org

Our Week in Review:

In shared reading, we began our study of author and illustrator Theodore Geisel, better known as Dr. Seuss! This week we read some of his books that involved word play. We had a fun time identifying word families, listening for rhyming words, and finding new ways to play with words as we read his stories.

In math, we looked at how we can use our understanding of 10's and 1's to help us add. We compared using a ten frame to using 10's rods to help us add.

In theme or social sciences, we learned about passports and created our passports. We also continued to learn about some simple machines as we built our cockpit instruments and tools.

In centers, we completed our passports, packed our suitcases, filled out our plane tickets, and continued work on the cockpit.

Next week, our "I Cans" will be:

- I can identify the moral of the story.
- I can identify the 10's and 1's in a number.
- I can use periods at the end of my sentence.
- I can use my knowledge about my flight job to create my speaking part for our flight.

For Your Information...

-Thank you for your help!!!

Homework Time!

Don't forget to review and practice sight words! We have been working hard on them at school. Thank you for reinforcing with games and review at home!

Books we read:

The Cat in the Hat

Hop on Pop

One Fish, Two Fish, Red Fish, Blue Fish

Green Eggs and Ham

There's a Wocket in my Pocket
