

# Boone's Memos

Second Grade  
334-887-4950

jaboone@auburnschools.org

March 2-6

## A Peek at Our Week

**Reading:** We will read *Each Kindness* by Jacqueline Woodson and analyze the characters.

**Math:** In math, we are identifying coins, counting coins, and solving word problems involving coins and practicing 3-digit addition and subtraction.

**Writing:** We will write an opinion piece that includes an opinion, reasons to support our opinion, and a conclusion. We will also use special words (because, for example, also, etc.)

**Science/Social Studies:** We are comparing the past to the present and learning about George Washington Carver, Booker T. Washington, and the Tuskegee Airmen.

**Language:** We will learn about subject-verb agreement.

**Spelling:** We will learn words with s blends: sc, sk, sm, sn, sp, st (ex. scab, skin, smash, snap, spot, stop).

### Quarter 3 Sight Words:

sound, almost, great, example, only, turn, between, animal, little, same, fought, while, things, also, began, change, important, means, often, until

Practice for Thursday's timed math test

### **Thursday:**

Read 20 minutes and record it on your March Madness Sheet / No Math today / Get your costume ready

### **Friday:**

Enjoy your weekend!

## Reminders

This week is Read Across America Week. Please refer to the flyer that came home last week to see what is happening each day!

Five friends shared their Famous American Projects today. They did an awesome job! We decided that practicing at home several times was the key to a great presentation! Please help your child be prepared!! 😊
