

Pick Elementary Presents:

# Art and Technology Showcase

**Tuesday, April 16**

Food Trucks – 5:00-6:00 pm

PTO MEETING and Showcase - 6:00-7:30

This will be a fun evening for families! Drop in for a quick bite to eat and to support our Robotics Team and their Lemonade Stand as they are raising money to travel to the Robotics World Championships in Kentucky! We will go in the multipurpose room at 6:00 pm for a brief PTO meeting to vote on our new PTO Board for the next year. Then we will have three 20 minute rotations where you can choose what you would like to see. We will be demonstrating how we use our Smartboards, making books, using the iPad for math and language arts and how we use technology to assess. The Tech Playground will showcase students designing video games, creating songs with garage band, projects with the 3D printer, and making movies with animation and the green screen. Mrs. Hames will have our students' fabulous artwork displayed throughout the building. Students will have art work they want you to see.

**Please mark your calendars and join us on this special night!**
