spoonful	darkness
shapeless	ageless
illness	goodness
spotless	painless
weakness	darkest
clearest	thoughtful

Whatever your preference is for Halloween, please just be safe! ☺ Read the article from Nurse Becky on Halloween safety.

[Halloween Safety Tips](#)

Learning Objectives

Math: This week in math we will continue learning about multiplication. We will be focusing on different ways to multiply: distributive property, expanded form (area models), and partial products.

If you and/or your child is unsure about the math we are teaching, please utilize my office hours and/or if you need one-on-one, I'll be glad to help. ☺

Fact Fluency: Please be sure to study your facts (addition, subtraction, multiplication) at home daily.

From now until the end of the year, multiplication is used on a daily basis in math. Students will now have a consistent fact fluency rotation in math (Freckle, Xtra Math, Moby Max, etc). This week will be Freckle.

Science: We will be learning about soil properties and plant survival.

Spelling: Unit 2, Week 5-Suffixes (Test: Friday, October 30th)

Reading: *The Secret Message*

Comprehension Strategy: Ask and answer questions while reading

Comprehension Skill: Theme

Genre: Folktale

Vocabulary Strategy: Root Words

Upcoming Test(s)/Project(s):

- Monday -
- Tuesday -
- Wednesday -
- Thursday -
- Friday - Spelling Test

Please be sure to read each night. ☺

Be sure to study your math fact fluency.

Multiplication is very important in fourth grade and is used almost daily in math.

Mark Your Calendars:

October 30th-
