### What will we be learning?

**Math:** We have finished our graphing chapter and will be moving on to the concepts of MULTIPLICATION (YAY!!!) Students will investigate Real-World sets to help us understand multiplication.

**Reading/English Language Arts: Grammar** - We will learn how to distinguish the difference between COMMON and PROPER NOUNS. We will practice using COMMON and PROPER NOUNS in our writing. **Writing** - Students will work to finish their personal narrative. **Reading** - We start EXPOSITORY TEXT this week. Our story is A Mountain of History. Students will learn about text features, main idea and key details, and multiple meaning words. **Vocabulary** - We are review Unit 1 for our test on Thursday. Students will be completing a study guide in class and I will also send home a study guide for homework.

**Social Studies:** So excited to kickoff Liberty's Legacy this week! It is a citizenship program that teaches the students about the United States history and the beliefs we have and why we have them.

**Science:** Survival of the Fittest - We will investigate how and why some animals survive better than others.

Parent Conferences are THIS week. You can sign up using the link below:
