Teacher
Appreciation
Week

What will we be learning?

Math: Students will preview **PERIMETER** concepts learned this far. We will introduce **AREA** this week. Students will learn different strategies to find the area of a shape.

Reading/English Language Arts: Reading- We are reading our selection Hot Air Balloons. Students will review cause and effect & multiple meaning words. **Grammar** - We are learning how to write addresses with commas correctly.

Vocabulary - We will learn words for Unit 4 Week 2. Test on Weeks 1 & 2 will be THIS Friday (3/29).

Science: Students will conduct several experiments to learn about Force and Motion.
