Scholastic News money due (\$6.50)

What will we be learning?

Math: We will begin Chapter 1 (Addition and Subtraction within 1,000) - Students will learn about number patterns, odd and even numbers, and rounding. We will also practice addition and subtraction facts.

**Chapter 1 Practice pages will be sent home for your child to practice as needed while we are learning concepts from Chapter 1. These will NOT need to be turned in.

Reading/English Language Arts: Grammar - We will be investigating NOUNS. **Writing** - Students will begin brainstorming lists as possible topics for their personal narrative. **Reading** - We will be reading fairy tales and folktales from traditional literature. We will focus on character traits and retelling stories. **Vocabulary** - We will begin learning new vocabulary words. Students will learn 5 words, definitions, their synonyms and their antonyms. Words: fragile, research, defend, specific, pledge

Social Studies: This nine weeks, we are beginning our study of geography. Students are expected to identify the SEVEN continents and FIVE oceans as well as explain lines of latitude and longitude. We will learn about parts of a map and directions (cardinal and intermediate). We will learn vocabulary associated with landforms and bodies of water.

Scholastic News is a magazine I'd like to get for every child in our class. Each issue features current events articles I know your child will be excited to read. With your contribution we will get an issue for each child in our class + access to online issues. Your help in making this resource available to the students is greatly appreciated. **Please send \$6.50 (cash or check made to PES) before September 4. You may also pay via MySchoolBucks.com** 😊

Homework Corner

Nightly: Each night the students should read for 20 minutes (preferably with an adult) and write it in their planner.
