

A decorative border of various colored pencils (red, orange, yellow, green, blue, purple) arranged in a circular pattern around the text.

Student Led Conference

What is a student led conference?

- A student led conference is a time for you to come and listen to your child share their learning. The conference will be led by the student, but the teacher will be around, if you or your child needs to ask a question.

What do you need to bring?

- YOU
- Your child
- A positive and encouraging attitude
- An open mind

How long will the conference last?

- Conferences are scheduled for 30 minutes.
- Your conference may be longer or shorter depending on your child.

Note: During student led conferences, other families will be in attendance in the room. But **DON'T WORRY!** They will be having a conversation in their area,
