

CRAYONS & cuties in Mrs. Key's First Grade Class

Our Week at a Glance

This week, we have been reviewing all First Grade skills. We read lots of engaging literature, reminded ourselves of things we learned at the beginning of the year, and we start our First Grade Memory Books!

In Math Workshop, we have been reviewing. Be sure to practice at home to help build fluency and confidence!

Next week, we will have lots of End of the Year Fun! Comprehension questions (who what, where, when, & why), Author's Purpose, Story Problem/Solution, Main Idea, Point of View, Sequencing, Author's Purpose, Character Feelings, and Poetry.
