

CRAYONS & cuties in Mrs. Key's Kindergarten Class

Our Week at a Glance

This week, we have been learning about Gingerbread. We learned many facts, built our own gingerbread houses, and read many books! We worked in all of our Reading Workshop centers.

In Math Workshop, we worked on subtraction! We played Gingerbread Addition, Holiday Let's Measure, Starfall Numbers, and Deck the Tree Counting.

Next week, we will learn all about Christmas Around the World! In Math, we will learn about subtraction.

We will focus on:

Letters: Alphabet Review

High Frequency Words: REVIEW

We will continue working our writing journals and how to make a WOW picture full of details using the correct colors!

Please let me know if you have any questions!

love,
Mrs. Key
