

CRAYONS & cuties in Mrs. Key's First Grade Class

Our Week at a Glance

This week, we began learning about apples. We read lots of engaging literature and learned about the parts of an apple. We made it to 20 minutes in building stamina in all five Daily 5 Reading Centers.

We are working on fluently adding within 20 using counting on, doubles, number lines, and ten frames.

Next week, we will continue learning about apples and apple trees. We will focus on digraph /th/, using -ck in words, and "Floss Rule", and sight words: REVIEW.

*Floss Rule: one syllable word, has a short vowel, and ends with f, l, s, or z... you double it!

Practice words: that, bath, this, Beth, thud, moth

Practice Sentence: Did you see Seth do his math?

love,
Mrs. Key

Upcoming Dates

Wednesday, September 29: 1st Grade TCBY Night!

Friday, October 8: Rocket Run Pep Rally
