Valentine EXchange

 Decorate a box for our valentine exchange

 Please make a large, open, rectangle slit on the top of your box for all shapes and sizes of valentines to fit in

 Make sure your name is somewhere **BIG** on the box

 You may use any size box
I suggest a cereal box, shoebox, a premade kit, and/or any decorating supplies you wish

 Please make sure each classmate receives a valentine card

 Have your child independently write their friends' names on the valentine cards

 **Boxes and valentines need to be completed and turned in by**
Tuesday, February 11
