

Mrs. Reynolds's Newsletter

September 23- 27

Happy Monday!

Can you believe we are at the end of September already? This week we will complete our study on apples and begin studying farms. We will also be working on sorting, the letters F and V as well as visualizing the stories that we write. Don't forget to dress in dots on Friday for dot day. Have an amazing Monday and a great week.

Sincerely,
Mrs. Reynolds
