

Auburn Early Education Center's BIRTHDAY BOOK CLUB

What is a Birthday Book Club?

The Birthday Book Club is a way to make your child feel extra special on his/her birthday and help AEEC acquire new books for our school library. This is also a nice way to place a library book in the library in honor of someone on a special occasion. It is a donation to the library.

How does the Birthday Book Club work?

Auburn Early Education Center's Birthday Book Club offers a special way to recognize a child's birthday and at the same time benefit our school. Students who contribute \$15 to the Birthday Book Club will receive a birthday treat bag and select a library book of their choice from a wide variety of new books we have on reserve for this purpose. A commemorative bookplate displaying the child's name and birthday will be affixed to the book and your child will have the honor of checking out the book first.

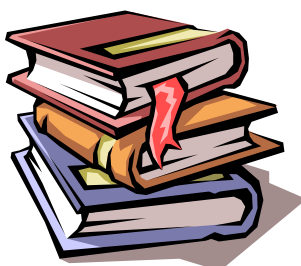

***Note: Summer birthday book club members will join another month's celebration. August birthdays are celebrated in September, June birthdays are celebrated in March, May & July birthdays are celebrated in April.**
