Teacher Talk

Dear Parents,

Spring is near! We are proud of all of our little blooming first graders. They have learned many things this year both socially and academically. As we progress through the school year, the content and demands of the first grade curriculum are growing. Please allow your child adequate reading and writing practice at home.

Also, please practice addition facts to 20 to improve your child's automaticity.

Thank you for your help and support.

Thanks,
First Grade Teachers
