Teacher Talk

Dear Parents,

The end of the year is almost here! Our sweet first graders have worked extremely hard this year and we are all so proud of their many accomplishments. Please remind your child that even though summer is near, they must continue to do their very best work and be on their very best behavior.

May is a busy month, so make sure you check the dates above. In addition, please check your child's binder for additional dates for The Last 10 Days of First Grade and the End of the Year Parties.

Thanks,
First Grade Teachers
