

The Jones Journal

October 15, 2021

Kentrell and Jim'myron read a big book during centers.

FYI

*I need everyone to fill out and return the Pumpkin Patch field trip permission form that is in this week's Friday Folder. Please note the best way to pay the \$15 fee is online at www.myschoolbucks.com/. I will send you a reminder for the lunch you ordered your child (according to what you mark on the permission form) and some 'guidelines' closer to time. There is also a chaperone form for those of you who wish to help out on this exciting day!

*RES will have a flu clinic Friday, October 29th. There is a Flu Vaccine Consent Form in this week's Friday Folder. Please be mindful that if you decide to sign your child up to receive a flu vaccine, he/she will receive a shot right before getting on the bus to the pumpkin patch!

*It seems the lunch menu has been changing frequently the past several weeks. I'm assuming this is due to supply chain issues that most schools are currently experiencing. Please know that I forward any emails I receive from the kitchen regarding those changes as soon as I read them.

Healthy Living Week is in two weeks (October 25-29!) To help encourage healthy living, each day the students may participate in the following ways:

- Monday "Sock it to Sweets" (wear crazy socks)
- Tuesday "Peace, Love & Safety!" (wear tie dye shirts or camouflage)
- Wednesday "Hat's Off for a Healthy Heart" (wear a crazy hat)
- Thursday "Dreaming of a Healthy Future" (wear pajamas)
- Friday "Spirit Day" (wear your RES t-shirt)

PARENT READING

This week's article, titled *Student Representations at the Center: Promoting Classroom Equity*, is about math. Although the content is pulled from a middle school classroom, it directly applies to things going on in our kindergarten classroom. The article is attached to the same email as this newsletter. It can also be found on our classroom's blog (mrssjonesclass.blogspot.com) on the right side under *Suggested Parent Readings*.
