

# BIRTHDAY BOOK CLUB

Celebrate your child's birthday in a special way by joining the Creekside Birthday Book Club! For a donation of \$20.00 to the CES library (covers the cost of a new library book) your child will receive the following during their birthday month:

- Their choice of book from our special selection of new picture books, chapter books, and non-fiction books in which to place a special nameplate honoring their birthday.
- Your child will be the first to check out the new library book. Once it is returned, it will be placed into our library collection for others to enjoy!
- A special birthday themed goody bag.

These books are part of the Creekside library collection and should be returned to school as soon as your child has finished reading it. To join, return the bottom portion of this form along with cash or check made out to Creekside Elementary School. You may also pay via My School Bucks (preferred) under the For Parents tab on our website. Contact Mrs. Hillyer at [sbhillyer@auburnschools.org](mailto:sbhillyer@auburnschools.org) with any questions. Thank you for supporting the library program at CES.

\*Note\* – June birthdays will be celebrated in December, July birthdays celebrated in January.

---
