

FOURTH GRADE NEWS

Traditional and Remote Learners

Week of December 7th - 11th

Mindset of the Month – Passion First

Focus on Strengths- Isn't it fun to do the things you love to do? When you do the things, you love to do more often you get better at them! So if you love to read- read more books! If you love to play soccer- you should play more often! Spend your time doing what you love and what you are good at and you will get better and better!
