THIS WEEK:

Reading: *Describing Characters*

This week we will continue learning about how to describe character feelings, traits, and motivations to explain how their actions contribute to the story.

Math: *Multiplication*

We will continue multiplying by drawing models to express the numbers in groups of objects (5x7 is 5 groups of 7).

Language/Writing: *Irregular*

Plural Nouns/Personal Narratives

This week we will learn about irregular plural nouns (child->children). We will also be continuing our o-uch moments with personal narratives in our writing.

Science: *Inherited Traits*

In science this week, we will learn about inherited traits. This will include how all organisms get different types of traits from their parents.

IMPORTANT DATES:

- September 18: Picture Day
- September 14-18: Spirit Week;
