Parents,

I can't believe it's already February! In just a few months, school will be over! ☺ Time flies so quickly.

This week, we are starting a new team challenge! Anyone who completes their homework AND reading log for the week will earn one "Homework Lottery" ticket on our game board. When our class's game board is filled, we will have a drawing for some fun prizes! Hopefully, this will encourage full attention to homework responsibilities! :-)

Please sign and return the permission form that is included in today's folder. We are headed over to Tuskegee for a great field trip in February.
