Let your light shine!

Week of May 10-14

Important Dates to Remember!

May 20th Last Student Day/Report
Cards come home

Dear Parents,

It's hard to believe that next week is our last full week of school. Wow! This year ended up being so fast.

We've enjoyed our countdown to summer this week-cute sunglasses and stuffed animals! Extra recess was a blast too. We also had extra recess and popsicles from the Rocket Run on Wednesday-I hope you heard about it!

This will be our last week of homework-due next Friday the 14th. Remember those homework passes if your student wants to use it-last chance!

I wish all you moms a Happy Mother's Day and hope you enjoy your treat from your student!

Mrs. Bennett

This week's Homework:

Just a reminder, homework is due FRIDAY-LAST ONE ☺.

Please look below for some reminders:

- **Do a 1 minute timed read each night.** We don't want speed reading, but you should see improvements each night. Students should mark where they stop with a bracket.
- **Color Code text evidence:** For short answer questions, answers should include a sentence stem, and be written as a complete sentence with correct punctuation and capitalization.
