Dear Parent or Guardian:

We are pleased to notify you that in accordance with the *Every Student Succeeds Act of 2015*, you have the right to request information regarding the professional qualifications of your child's teacher. Specifically, you may request the following:

- Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction. (All PES teachers have met this criteria.)
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria has been waived. (No PES teacher is currently hired under this status.)
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Should you have any questions, feel free to contact Dr. Jason Lowe, Executive Director of Human Resources, at 334-887-2100 and he will be happy to assist you.

Sincerely,

Principal
