Dear Cary Woods Parents and Guardians,

Welcome to Cary Woods Elementary School! We are excited to be planning for the 2020-21 school year. We have a limited number of openings in our Kindergarten After School Program (ASP). The link below will lead you to the form to apply for one of these openings. **The link will begin accepting information on April 30th. Completion of the form does not guarantee registration in the ASP.** The forms are time-stamped for completion and parents/guardians will be notified for next steps if they receive one of these openings. Openings will be given on a first-come first-serve basis. Below you will find the link to the form to complete if you are interested in obtaining an opening in the program. General information about the ASP can be found on our webpage under the ASP tab. Please stay safe and we look forward to meeting you this Fall!
