March 2021

ELEMENTARY AFTER SCHOOL PROGRAM REGISTRATION

The After School Programs in our nine elementary schools provide a safe, nurturing, enjoyable environment for students after the regular school day. The success of our After School Program can be attributed to the combined efforts of school administrators, program coordinators, the team of workers, and the families who entrust their children to us for this extended time each day.

After School Program REGISTRATION for the 2021-2022 school year will begin on Thursday, April 1, 2021.

Registration will be open at each school's After School Program site on Monday-Friday from 3:30-5:30pm on the dates listed below for the categories of students listed for each:

- April 1: Students who are **currently enrolled in the ACS After School Program** will be eligible to register.
- April 15: Open registration for **new After School Program student participants** who will be in **grades 1-5**.
- April 29: Open registration for new After School Program student participants who will be in **Kindergarten**.

For those students who are **transferring to a new school next year**, After School Program registration should be completed at the school the student(s) will attend in 2021-2022. Parents are asked to complete the registration process with the After School Program Coordinator where their child will attend next school year.

The Auburn City Schools After School Program tuition rates for 2021-2022 are as follows:

	One Child	Two Children	Each additional child
Monthly Tuition	\$250	\$370	\$65
Reduced Rate	\$145	\$210	\$55
Free Meal Status	\$100	\$120	\$55

New students to the After School Program should call the After School Program Director at the appropriate school before submitting forms to ensure spots are available.

After submitting all registration forms to the After School Program Coordinator where the child will attend school next year, parents should pay the annual, non-refundable registration fee of \$25.00 through My School Bucks. Information about registering for the My School Bucks online payment system is on school websites.

Please note that new participants will be accepted only until program capacity is reached; at such time a waiting list will be developed. After School Program enrollment is not transferrable between schools. Students who transfer to another ACS school at any time and wish to enroll in the new school's After School Program should follow the program registration process of the new school.

If you are interested in enrolling or would like more information about the extended day program at your child's school, please contact the After School Program Coordinator at the school your child will attend in 2021-2022. Additional information about the extended day services can also be found on each school's website.
