Notes From The Office

Student Check-Out At WMR

We like to keep check outs to a minimum; it is so important for our students to not miss instructional time, but in the event that a student needs to be checked out, please follow this procedure:

Please email the office (lmmeadows@auburnschools.org) at least 30 minutes before checking your child/children out at WMR. This minimizes exposure while waiting to check-out.

If you cannot email, please call the office at (334) 887-1990 when you arrive to request your student. The sign out sheet and your student will be brought to your car. Thank you for your understanding.

Excused Absences

Parents/Guardians- please remember when your student is absent, you have three days to turn in a parent/guardian hand-written note or doctor's excuse.

If you are sending in a parent/guardian note it must:

- be handwritten and signed by parent/ guardian
- include date and reason for absence. If no reason is given, the absence will be coded as unexcused.

Emails cannot be accepted as parent excuses!

Changes In Transportation

If your child needs to change their method of transportation home for any reason, you **MUST** fill out the -- Change of Transportation Form -- that can be found on the WMR website. The form should be filled out completely & signed, then delivered or emailed to the school PRIOR to 12 noon on the day of the change. If you are emailing, be sure to email your child's teacher AND Mrs. Meadows in the front office.

Nurse Notes

Thank you, parents for your diligence this year in working together to keep our school community safe! It has been a trying year for everyone, but we have preserved as a family. Our EAGLES have successfully soared through all obstacles! I wish everyone a happy & safe summer break! Here are a few end-of-the-year details:

All student medications must be picked up by the end of the day on Thursday, May 20th. Medications cannot be sent home with students. Parents must sign all medications in & out with the nurse. Medications not picked up in a timely manner will have to be disposed of. Please remember that each year a new Parent/Prescriber Authorization form must be submitted to the school nurse before any medication can be accepted or administered at school. You may call and set an appointment time to review forms and medications prior to the beginning of the 2021-22 school year.
