

## WEEKLY SCAN FOR MAY 13<sup>TH</sup>-----21<sup>ST</sup>

**SPELLING**      Unit 6; Week 2-----“Consonant + le Syllables” \*\*\*\*\*Our test will be on Friday, as usual. You will find the words listed below.

**LANGUAGE**      We will continue working on dictionary skills. Students will need to bring the dictionary they received a few weeks ago back to school this week for some of these lessons.

**READING**      We will not begin a new reading unit. We will use our reading time to finish up work in other subjects and to read some of our “Scholastic News” and “National Geographic Explorer” magazines. Students will also be reading chosen chapter books with a partner.

**MATH**      Students will take the chapter 10 test on Wednesday. A practice test will come home with students on Monday. On Thursday and Friday, students will complete the *End-Of-Year Test*. This cumulative test does not count as a grade, but I will pass the test along to fourth grade teachers to review.

**SOCIAL STUDIES**      We will work on geography/map skills lessons focusing on each region of the United States.

**REMINDERS**      I am just listing reminders by date like I did last week. Please pay attention to planners, because changes may be necessary.

- May 13<sup>th</sup> & 14<sup>th</sup>-----ACAP Testing for Third Graders-----Our class will complete both the reading and math tests on the 14<sup>th</sup>.
- May 14<sup>th</sup>-----Kona Ice truck will be here! Students who would like a treat should bring \$3.00 to school! Thanks to Mrs. Williams for setting this up for us. This will be a great way to end a “*Testing Day*.”
- May 20<sup>th</sup>-----Fifth Grade Talent Show (begins at 1:00)
- May 21<sup>st</sup>-----Last Day of School for Students/Report Cards Sent Home
- May 22<sup>nd</sup>-----All medication items stored in the office need to be picked up from Nurse Libby by 12:00 on this date.

\*\*\*\*\*As many of you may know, I will be retiring at the end of this school year! Please let me say how much I have enjoyed teaching this group of students during my final year. They have been a sweet, fun group to close out my career with this year. I hope you all have a wonderful summer. Don't forget to encourage your child to read, write in cursive, and practice multiplication facts some during the summer. Students will need to make sure these skills are still sharp for fourth grade!
