### Skills at a Glance

**Language—** This week we will focus on writing correct sentences. We will also learn what the four types of sentences are called.

**Reading—** Comprehension strategy: Visualize, Characters, and Fantasy

**Spelling—** Our words this week contain short vowels. We will take a Practice Spelling Test each Wednesday. If a student makes 100 on the practice test (first 18 words), he/she does not have to take the test again on Friday. If a student misspells a word/words on the practice test, he/she will have to write the misspelled words 5 times each for homework and take the test again on Friday. Please help your child study spelling words daily.

**Math—** We will work on rounding to the tens and hundreds this week!

**Science—** We will be learning about Living and Nonliving things and how to tell the difference.
