

Mrs. Lammons' Newsletter

March 6 - 10

Homework:

Homework is only used to reinforce skills taught in class. 30 minutes per night is the maximum that should be spent working on homework. Your child should read 20 minutes every night and please record it on your monthly Reading Log. The planner is located in your child's G.O. book. *Students will be tested every Friday.

3/6- Math: Lesson 7.5

3/7- Math: Lesson 7.6

3/8- Math: Lesson 7.7

3/9- Math: Lesson 7.8

What We're Learning

Read Aloud: Library Lion by Michelle Knudson

Comprehension: I can imagine how a character feels.

Grammar: I can use and understand articles (a, an, the).

Phonics: I can spell and read words with variant vowels (ball, chalk, thought).

Writing: I can write a persuasive piece to convince my teacher to let us slide down the hill.

Math: I can understand the value of coins and count money.

Social Sciences: I can learn about the properties and states of matter.

Class group pictures are now for sale! Pictures may be purchased with a \$10 check made payable to AEEC or online at www.myschoolbucks.com. It is listed under under School Items. Select the item to add to your cart and complete the transaction. There is no processing fee associated with the School Store.
