Auburn High School's Vision Statement

The mission of Auburn High School, *the treasure of exemplary education*, is to champion and cultivate creative and critical thought, empower independent and collaborative study, and develop healthy and responsible citizens, through a vital system distinguished by:

Innovative, enriching and relevant educational experiences
Kindness and investment in one's self and others
Celebration of diversity
Commitment to equity
Community presence

Students are required to read and observe the rules and policies outlined in this handbook and in the *Auburn City Schools Parent and Student Handbook*.

The Auburn High School Honor Code

The Honor Code is a physical representation of the values that Auburn High School should encompass: honesty, integrity, respect, and responsibility. Honesty is a value that holds each person to the truth--to tell the truth and to defend the truth. Honesty results in fairness for each member of the Auburn High School community. Integrity is firm adherence to our values with and without the presence of others. Respect is treating others, as we would like to be treated. In an environment of respect, work we turn in as our own is our own. Responsibility is the quality of being accountable for our actions and accepting the consequences of our actions.

At any educational institution, a code of conduct must be established so that people, teachers and students alike, know the proper way to behave. The behavior students acquire through their actions is the most valuable gift they can carry after their graduation, and it is the most valuable gift any educational institution can give. Formulas and facts can carry students only so far in life. True success lies in one's desire to be good for the sake of being good – doing the right thing, even when no one is looking. The Honor Code is not meant as an imposition but rather a standard to which all students and faculty should be held. At Auburn High School, we push each other to higher academic achievement; this code asks that we hold each other to a standard of integrity in all we do.

Academics and Attendance

Students who receive an unexcused period, half-day, or full-day absence may not be permitted to make-up the missed work for credit. A student is considered absent from a course when the student is not present for 30 minutes or more of the class period. This includes work missed due to an unexcused check-in or check-out. See the "Attendance" section and the *ACS Parent and Student Handbook* for more information regarding student attendance, procedures for excusing an absence, and what constitutes an excused absence.

Students accruing the following number of *unexcused* absences will receive a failing grade in the course:

Type of Course:		Unexcused Absences
Quarter course	(1/2 credit)	6 or more
Alternating Day Semester	(1/2 credit)	6 or more
Alternating Day Year	(1 credit)	11 or more
Semester Course	(1 credit)	11 or more

If a student's work earned him/her a passing grade in a course, but a failing grade was received due to absences, the student may appeal the decision. Below are the steps a student must take in order to appeal the failing grade.

1. Obtain and fill out a formal appeal form within 5 student school days of the end of the quarter or semester (depending on whether or not the course posts at the end of 9 weeks or 18 weeks). Forms may be found in the Counseling Center.
2. Attend the scheduled appeal meeting. The appeal board consists of teachers, an administrator, and school counselor. If the student does not attend his/her assigned appeal meeting, then the appeal is cancelled.
3. A student may only appeal one semester during their tenure at Auburn High School.

Academic Dishonesty

Academic dishonesty is giving or receiving information or assistance on any graded assignment, which is understood to be an example of individual effort or representing another's work as your own. Academic dishonesty includes, but is not limited to, copying, plagiarism, or the use of unauthorized notes, books, calculators, or other electronic devices to procure answers during a graded assignment. The academic dishonesty policy will apply to all academic disciplines, elective courses and school activities for which the student receives a grade.

AHS Official Campus ID

All faculty, staff, and students on Auburn High School's campus during operating hours must wear the official AHS Campus ID. This ID will be worn around the neck on a lanyard. Replacement IDs cost \$5.00. If student IDs are lost or missing, the student must report the missing/lost ID to the administration, purchase a replacement ID, and/or receive progressive discipline. Failure to wear school ID and wear it properly will result in progressive discipline.

Alternative School

Auburn City Schools administrators make assignments to Alternative School. Rules for Alternative School are covered at the orientation meeting which follows the disciplinary hearing.

Attendance

All students between the ages of 6 – 17 are required by law to enter school on the opening date and to be in regular attendance. Attendance is the responsibility of the parent/guardian and the student. Students who are under expulsion from another school are not eligible for enrollment in the Auburn City Schools system. Excessive absenteeism or withdrawal from school by any student shall be reported to the Auburn City Schools Attendance Officer.

A student must deliver a written explanation (place in Absentee Box in front office) for the absence signed by a parent/ guardian or a doctor's excuse within 3 days of returning to school for the absence to be excused. Excused absences include personal illnesses, emergencies, death in the immediate family, court subpoena, board approved religious holidays, legal quarantine and school-sponsored functions. All other absences will be counted as unexcused. Any student with five unexcused absences will be referred to the system's attendance officer for referral to Juvenile Court for early warning. Credit cannot be given for make-up of missed assignments or tests until the absence is excused.

Students arriving after attendance has been taken during 1st period must report to the office to check-in and are considered tardy for that class. A student who is late to class by less than 10 minutes is tardy. A student who misses more than 10 minutes of class is considered skipping. A student who misses more than 30 minutes of a class is counted absent.

Students may submit parent documentation to excuse up to 5 absences per semester: this includes checking in and out of school for more than 30 minutes of a period. If a student misses more than 5 times per semester due to illness, he/she must provide an excuse from a doctor showing medical treatment was received on the date of the absence in order for the excessive absences to be excused. Students with special circumstances (chronic illness, accidents, etc.) may appeal to the school administration for special consideration.

Students, age 18 or older, accumulating at least 10 consecutive or 15 cumulative unexcused absences in a semester will be withdrawn school.

Students are expected to schedule out-of-town trips and other activities during pre-set vacation periods and holidays on the ACS academic calendar.

Students are allowed up to four absences for college visits during their time at AHS. Official proof of attendance at a college or university orientation session will be required to have the absences excused.

Credit may be denied for a course if a student has the following number of unexcused absences in any one course:

Type of Course:	Unexcused Absences
Quarter course (1/2 credit)	6 or more
Alternating Day Semester (1/2 credit)	6 or more
Alternating Day Year (1 credit)	11 or more
Semester Course (1 credit)	11 or more

Missing thirty minutes or more of class time is considered an absence.

Discipline

Creating a safe and organized learning environment is one of the most important responsibilities an educator has. Students assist in this effort by adhering to school and classroom rules and maintaining respect for adults and peers on campus. Classroom teachers will address classroom behavior by taking appropriate in-class disciplinary action. In the event that disciplinary action is administered, students are expected to comply. If the inappropriate behavior continues or the class is disrupted by the behavior, the student will be referred to an administrator.

Students and families are to refer to the *ACS Parent and Student Handbook* for a comprehensive list of prohibited behaviors and consequences.

The principal or her designee may approve the use of such devices during medical emergencies, natural disasters, after regular school hours, at events or under circumstances in which the use of the devices serves safety and convenience without disrupting academic or school operations. Students bringing and/or accepting food deliveries on campus (including parking lots) will have their food confiscated and will be subject to disciplinary action.

Failure Due to Absences

Students will not be given credit for makeup work they missed during an unexcused absence unless prior approval has been given. Thus, any tests or assignments are put into the gradebook as a zero for a student's unexcused absence. Too many unexcused absences will cause a student to fail a course. If a student accumulates an excessive

amount of unexcused absences and still has a passing grade, he or she will be denied credit as a result of too many unexcused absences.

Credit may be denied for a course if a student has the following number of unexcused absences in any one course:

Type of Course:		Unexcused Absences
Quarter course	(1/2 credit)	6 or more
Alternating Day Semester	(1/2 credit)	6 or more
Alternating Day Year	(1 credit)	11 or more
Semester Course	(1 credit)	11 or more

FDA Appeals Process:

If a student's work earned him/her a passing grade in a course, but a failing grade was received due to absences, the student may appeal the decision by filling out a formal appeal form within five student school days of the end of the quarter or semester. Appeals forms may be found in the Counseling Center. The student must attend the scheduled appeal meeting. The appeal board consists of teachers, an administrator, and school counselor. If the student does not attend his/her assigned appeal meeting, then the appeal is cancelled.

Fundraising Policy

The solicitation, sale or distribution of any materials (including food items) or services on school property by individuals or by school organizations is prohibited without prior approval of the principal. The sponsor of a school organization must submit a written request for fundraising activities to the principal before any school-sanctioned sales can begin.

Grading Policy

Each teacher will publish for each class a student evaluation procedure that explains the method of grading and the percentage for individual and/or group work, academic tests, homework and classroom participation. Grading policies should adhere to those outlined in the *ACS Parent and Student Handbook* for the current year.

Grading Scale:

A	90-100
B	80-89
C	70-79

F	59 & Below

Incompletes not cleared within 10 working days after the end of the course will be changed to the grades earned. Students and parents are encouraged to contact teachers if they have questions or concerns about student progress.

Identification

AHS uses the Raptor Visitor Identification system to ensure the safety and security of our campus. Students and visitors are required to identify themselves and display a valid pass when asked to do so by AHS faculty, staff, and other authorized personnel. AHS students and faculty/staff are required to visibly wear the student ID/Access card at all times.

Immunization

All students are required by law to have a non-expired Alabama certificate of immunization which must be updated during the entire enrollment at AHS. Students will be sent home until immunizations are current.

Leaving Campus

Once students physically arrive on campus, they are considered present for the day, and check-in/check-out procedures must be followed before leaving. Leaving campus without properly checking out will result in assignment to In-School-Suspension and loss of privileges as deemed appropriate by school administration. On a second offense, a student's parking permit is forfeited. Students must leave campus within ten minutes after the end of their last class unless they are participating in a faculty supervised activity.

Makeup Work

Credit cannot be given for make-up of missed assignments or tests until the absence is excused. Absences must be excused within 3 days of returning to school. Students with absences have five school days in a semester upon returning to make up any missed work. Makeup work does not have to be the same work given to students in attendance. Makeup work should be done before or after school. Participation in school-sponsored activities and events is not counted as an absence, but the policy for makeup work applies in these cases also.

Medications

Students needing to take over-the-counter or prescription medication during the school day must follow the guidelines outlined in the *ACS Parent and Student Handbook* and turn in any necessary forms. Students may not be in possession of unauthorized medications during the school day.

Moment of Silence and Pledge

State law requires a moment of silence and the Pledge of Allegiance at the beginning of the school day. Students are required to respect the dignity of these activities and not be disruptive.

Parent Teacher Conferences

Parent Teacher conferences may be arranged with individual teachers or through the counseling office. Please schedule an appointment with the teacher in advance of the meeting so that instructional time is not interrupted.

Posters, Signs, and Announcements

All signs, bulletins, posters, and announcements must have prior administrative approval and displayed in designated areas.

Prohibited Areas

Other school campuses are off limits to AHS students during regular school hours. teacher workrooms, athletic fields, tennis courts, parking lots, and the areas adjacent to the baseball/softball fields are off limits during the school day except for the classes or teams using these areas at the direction of a teacher. These areas are off limits to students during school hours.

Residency

All students are required to furnish proof of residency within the school district annually prior to the start of the school year. Students will not be allowed to attend Auburn High until this information is provided. (See *The ACS Parent and Student Handbook* for details on proof of residency.)

Schedule Changes/Course Drop Policy

Schedule changes are made only with the approval of a counselor or administrator and contingent on availability. Schedule changes requested will result in a \$25.00 fee per change. No schedule changes will be allowed after the first three days of each semester.

Search and Seizure

Administration reserves the right to search or request appropriate authorities to search any student, locker, desk, automobile, or student possession based upon reasonable grounds for believing that something contrary to school rules or detrimental to the student or others is present. Prohibited items will be confiscated as evidence of rules violations.

Sexual Harassment

Sexual harassment is illegal and will not be tolerated. Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal, written or physical conduct of a sexual nature, which creates an intimidating, hostile or otherwise offensive environment in the school. A student who believes he or she is being subjected to any form of sexual harassment should immediately report the matter to administration, who will conduct an official investigation. Results of the investigation will be provided to the Principal to determine if further action is needed.

Tardies

A student is tardy when he/she is not in the assigned classroom when the tardy bell stops ringing. Students may not miss time from a class without first obtaining permission from the teacher of that class. A student who is late to class by less than 10 minutes is tardy. A student who misses more than 10 minutes of class is considered skipping. A student who misses more than 30 minutes of a class is counted absent.

Students will be allowed one free tardy to each class each nine weeks' period. The second tardy will result in a classroom detention and parent/guardian notification by the teacher by phone or e-mail. Failure to attend the classroom detention will result in an office referral. A student's 3rd and all subsequent tardies in a nine-weeks will result in an office referral.

Students reporting to school after 1st period attendance has been taken are required to check in at the office. This is also a recorded tardy. Prior to 8:15 a.m. students should report directly to class. Recording of tardies starts over each quarter.

Telephone Calls, Messages & Deliveries

All school phones are for business use only and not to be used by students except for illness. All emergency calls will be made by the attendance clerk or school secretary. The school cannot guarantee that phone messages to students will be delivered. No deliveries of flowers, balloons, etc., will be made to students.
