2021-2022 English 9 | French 1 | Advisory with Mrs. Hardee

Much of the information you will need or want about our classes, you will find online in our ACS Schoology pages. You will need to login to view these. (Parents, [email me](#) if you need a parent code.) Please let me know if you don't find what you are looking for.

Students, in brief, I expect you to be where you are supposed to be, when you are supposed to be there, doing what you are supposed to do. Be ready, responsible, and respectful in our learning environments. You should maintain an A or B average. If your average falls below 80, it will most likely be because a) you are missing work, or b) you have not understood recently-taught content. In either case, it is your responsibility to take immediate action to submit/revise your work or ask for help. Anytime you need additional help, let me know. Typically, I am available for tutoring on Tuesdays; please make arrangements at least 24 hours in advance.

All submitted late work must be logged in the late work folder before it will be graded. Late work will *not* be accepted once a unit is complete. Be sure to check your grade book weekly and communicate with Mrs. Hardee if you have questions.

Just a bit about me...I grew up in "The Rocket City," Huntsville, AL. My church youth leader, an Auburn graduate, inspired me with passion for her work and a winning "War Eagle!" attitude. I moved to Auburn in 1991 and fell in love with life on The Plains and a bald-headed band boy named Fred (now the Quality Director at a locally-owned avionics company). We have two grown good people: Mikaela (22) and Houlton (20). Though our kids are adults and on their own, Fred and I both continue as volunteer coaches on the Auburn High Mountain Bike Race Team, and we're almost always on the go! As for schooling, I hold two Master's of Education degrees from Auburn University—one in English, one in French. I love my job, because I love my students! I'm blessed to be surrounded every day by young people who believe in their dreams and colleagues who want to help these young people make their dreams come true!
