

DISMISSAL

Effective August 8th, First day of School

Walkers

In an effort to keep our children safe, we will dismiss walkers from the end of B-wing. Walkers will be released when the 2:40 bell rings. Follow the sidewalk to the B-wing doors. A RES staff member will be waiting with your child. Please have your hangtag with your child's name for security reasons. If you do not have your hangtag, you will be sent to the front office to show proper ID.

Bus and Van Riders

Bus and van riders will be dismissed from their classroom to the multi-purpose room. Students will sit behind their bus or van sign and will be checked off by designated teachers. Once they are accounted for, they will be walked to their bus or van.

Car Riders

- *Each student will be given a card with a barcode.
- *This **card must be present** to pick up students from carline.
- *Please place this card in the driver's side window.
- *RES staff will come by to scan the barcode.
- *By scanning the barcode, the teachers and students inside will know when it is their time to walk outside to their designated cone.
- *If you do not have your card, you will need to park and walk inside to show your ID. *(Please note that students will not be dismissed immediately. They will be released after all cars have left the property.)*

Please download the Where's the Bus App for up-to-date information on your child's bus route.
