WILL THERE BE PRIZES?

YES! There will be prizes at different donation levels, \$5, \$25, \$50 and \$100. There will also be Top 25 and Top 6 fundraiser prizes as well. All prizes will be announced at the Pep Rally and info will be included on their packets that they will bring home.

WHAT WILL BE PURCHASED WITH THE FUNDS RAISED?

100% of the funds raised goes to RES! Our most exciting goal for this year is to be able to purchase a Nearpod VR set! This virtual reality set will allow teachers to take students on virtual reality field trips to amazing locations around the world! We will continue to purchase more Ipads and accessories to help reach the goal to become a 1:1 school. Teacher grants, carline app and student activities are just a few other ways to the funds are used.
