

B&B LEARNING FACTORY

OCTOBER 21ST - 25TH, 2024

Current read aloud: *Harry Potter and the Sorcerer's Stone*
by J.K. Rowling

Learning Objectives

Reading:

- We are continuing our study of Harry Potter, character, plot elements, and figurative language.
- Word Work: Second Word Work Quiz on Thursday (open syllables, closed syllables, r-controlled vowels)

Grammar/Writer's Workshop

- We will continue drafting, editing, and working towards publishing our expository essays on the costs and benefits of European exploration for both native cultures and exploring cultures.

Social Studies

- We will begin to study English exploration with the first colonial attempt at Roanoke. Following, we will delve into the Spanish Armada and its impact on English colonization.

Math: Topic 4 (Multiplying Decimals)

We will end our topic on multiplying decimals..
Topic 4 test will be Wednesday, October 23.

Sweet Multiplication: 5s

Science: Earth's Rotations

Students will be learning about how Earth rotates and how the rotations causes daily changes in the length and direction of shadows.
