

B&B Learning Factory

September 9th – September 13th, 2024

1 2 3 4 5 6 7 8 9 10 11 12

Learning Focus

Reading- This week in reading, we will complete Unit 1 with the third week of instruction. Following a thorough review of skills, we will take our Unit 1 Test at the beginning of next week.

Writing/Grammar- We will apply our writing and grammar skills to our culture presentations as we create in class!

Social Studies- As we complete presenting our cultures to the class, we will examine what occurred when exploration took place.

Math- Topic 2 : Add and Subtract Decimals
We will finish Topic 2 this week! Please be on the lookout for a study guide and test date in student planners!

Fact Fluency: Sweet Multiplication Facts (2s)

Science- We are starting our unit on gravity!

Reminders

Dear Parents,

Progress Reports will come home on Wednesday, September 11th. You will see an attached sheet on top this first nine weeks examining work habits and behavior. We don't have as many grades as we typically do for progress reports due to establishing community and routines at the beginning of the year, so this sheet will give you a better indication of what we are seeing at school.

Thank you for partnering with us,
B&B
