

CRAYONS & cuties in

Mrs. Key's Kindergarten Class

our week at a glance:

This week, we have had so much valentine themed fun. We graphed candy hearts, we've made valentine crafts, and we talked about all the people and things that we love!

In Math Workshop, we learned about teen numbers! Our Math Tubs were Valentine Addition, Make a Valentine Counting, Count the Candies, and Valentine Count the Room.

Next week, we will learn about Dental Health. We will continue learning about teen numbers and counting 0-20.

We will focus on:

Letters: digraphs /sh/ & /th/
High Frequency Words: REVIEW

♥ love,
Mrs. Key
