

Birthday Book Club

How does the Birthday Book Club work?

Dean Road's Birthday Book Club offers a special way to recognize a child's birthday and at the same time benefit our school. Students who contribute to the Birthday Book Club are invited to select a library book of their choice from a wide variety of new books we have on reserve for this purpose. A commemorative bookplate displaying the child's name and birthday will be affixed to the book. Your child will be the first to check out the book. Once the book has been returned, it will be added to our library's collection for other students to enjoy for years to come!

*Students will choose their birthday book at the beginning of their birth month. June birthdays will be celebrated as half birthdays in December. July birthdays will be celebrated as half birthdays in January.
