A minimum of 26 approved credits must be earned to meet graduation requirements. The following courses are approved for 10th grade students. Please note that choices are not guaranteed. They will be reviewed vs. graduation requirements and class availability. If selecting 9 week, 1/2 credit classes, you need to choose two classes. If you are interested in an Access (online) class not on this list, please notify your counselor.

**STUDENTS MUST REGISTER FOR 8 (EIGHT) CREDIT HOURS EACH YEAR.**

All students need to select three alternative class choices online and at the bottom of page two in case one or more of your choices are not available. Also list summer classes you plan to take at the bottom of page two.

Complete your online course selections 2/20-2/26/23 or courses may be chosen for you. Please sign page two with your parent(s) and return this form to the Counseling Department by 2/27/2023 after you have entered your class requests into PowerSchool.

**MARK YOUR CHOICES BELOW WITH AN "X". Courses are 1 credit unless otherwise indicated.  
Check the AHS Curriculum Guide for additional information, prerequisites and fees.**
