

Scheduling an Appointment with Mr. Tindell

In an effort to provide you with first-class service during your college counseling session, please complete the 1 – 2 – 3 appointment process outlined below:

(1) Complete the “College Pre-Counseling Form” (available on the website at www.auburnschools.org/Domain/165); download, complete and save to your computer*).

(2) On the website, click on “Scheduling and Events Calendar” –this will help with scheduling your appointment as it shows when I’m available v/s already scheduled (e.g., if the calendar indicates “Individual College Counseling” on a specific date/time, this is a privately-scheduled appointment, not an open invitation). **Please note:** *Scheduled appointments for individual college counseling may not commence prior to Thursday, August 15, 2019*. (This is done in an effort to provide **all** seniors with equal opportunity and access to college counseling.)

(3) On the website, click on the email account: jetindell@auburnschools.org. You will be taken to a populated email addressed to me (Mr. Tindell). Simply complete the email, providing your name (and a student’s name if you are a parent scheduling for your child) and telling me which dates/times would work best for you (please supply me with ~3 combos). Prior to sending the email, **make sure that you attach the *completed* pre-counseling form.**

I will schedule and confirm your appointment with me via a return email.

*If for some reason this isn’t a feasible option, students, you may print, complete, and drop off the form to me in Office #1210. Likewise, if you do not have access to a computer, you may use the College Pre-Counseling Form contained within the Orientation to College Counseling Manual—simply rip it out! 😊

Please remember to respect the 3-days “prior to” request when submitting your counseling form!

Thank you,

JT

NOTICE: Due to the preparation required for spring testing and senior honorary events, the final date for seniors’ individual college/scholarship/financial aid counseling for the 2019-2020 school year is Friday, March 6, 2020.
