Please join!

The Auburn Junior High School PTO purchased the equipment and the supplies to be able to conduct 3 community cookouts! Our House, Boykin Community Center and for Esparanza House. Thank You PTO!

The Auburn Junior High School PTO provides monthly food for our Student of the Month breakfast. They also provide several lunch opportunities for our teachers, such as our Nacho Average Teacher Luncheon, throughout the year.

The Auburn Junior High School PTO has provided a variety of items for the school. From safety equipment in the form of trauma bags and AED machines, to water bottle filling stations, to picnic tables, these are items that we otherwise would not be able to provide to our students and staff.
