Good Afternoon AHS Families,

We want to reach out and connect during this time away. We know and understand that school may not be at the forefront of your mind right now, but we just want to offer any support that we can. As you know, as of now, school is closed until April 6<sup>th</sup>. That means that no assignments and grades will be given during this time. But, we know that some of you may be preparing for ACT, AP tests, or just generally interested in learning something new or doing something interesting during this closure. In an effort to help, teachers will be sending out some information that can help. The information that you receive from teachers is meant to support, supplement, and enrich your academic experience. It is not our intent to mandate work, but rather offer resources and support our students and families as best as we can during this time. Speaking of resources, students and parents may access [www.auburnschools.org](http://www.auburnschools.org) for information about registration, school closings, announcements, and family resources. Some of our students are enrolled in Credit Recovery and other online courses. Students are still able to access those platforms and complete assignments should you have access to Wifi.

If you have a school need that is pressing before April 6<sup>th</sup>, our school administrators are here to help. Please see the contact list below and contact the appropriate administrator.

Families with Last Names A – E: Ms. Justina Wills, [jmwills@auburnschools.org](mailto:jmwills@auburnschools.org)  
Families with Last Names F – K: Mr. Chris Hames, [cshames@auburnschools.org](mailto:cshames@auburnschools.org)

This is an unprecedented time and we are all figuring this out together. Our primary concern is the health and wellbeing of all of our AHS students and families. Please don't let the uncertainty of the school semester add to your stress. For now, please follow the advice of our medical experts and take care of yourselves and family. We will continue to reach out and update you when necessary.

Shannon J. Pignato  
Principal  
Auburn High School
