Vaccine consent form must be returned by: _____

Dear Parent / Guardian,

Students entering the 6th grade will require an additional dose of TDAP (tetanus-diphtheria toxoid & acellular pertussis) vaccine. Students must have this vaccine in order to enter 6th grade. This law became effective 2010 and may be found in Rules of the State Board of Health, Chapter 420-6-1.03(a).

If you would like to participate in our School Located Vaccination Clinic – **complete in full and sign** the consent form on the back of this form. Be sure to check the vaccines desired on the top of the form, if not checked- we will provide all the ACIP recommended vaccines that your child is currently due for. There is no out of pocket charge to parents for this service. If your child has Medicaid, AllKids, or private insurance, HNH will bill the insurance company for the vaccine. If your child is uninsured, the vaccine will be given free of charge.

If your child is covered by **PEEHIP** – we cannot provide vaccinations for your child. We apologize for this inconvenience- please contact PEEHIP at 1-877-517-0020.

Please see www.immunize.org or www.cdc.gov for current Vaccine Information Statement or more information regarding each of the vaccines recommended by CDC Advisory Committee on Immunization Practices (ACIP).
