Our Learning

Math: We will continue learning different strategies to multiply. We will practice multiplying 2, 3, and 4-digit numbers. Please continue to work on multiplication facts..

Reading: Through mentor texts and picture books, we will focus on finding the theme in stories and summarizing the text.

AL History: We will continue to discuss European Exploration and settlement in Alabama. TEST is Monday, 9/16

Reminders

CONGRATULATIONS!

We have 4 students who have passed their multiplication tests to 12 and earned their candy bar. Their picture will be added to the wall of fame and sent out through REMIND. Congrats to: **Aryan, Gracie Ruth, Hunter, & Brayden**

- Please remember to check your child's planner and sign at the bottom. They are working hard to practice responsibility by updating their planners each day.
- Please return the orange folder and sign the papers that are on the sign and return side.

At-Home Connection

REMIND: To sign up, enter this number **81010** in your phone and text this message, **@phi4th**

Classroom Needs: Wet Wipes and snack items. We would appreciate any items that you can contribute to our classroom.
