

# Creekside 2024 Summer Math Fact Fluency Card

Student Name (first and last): \_\_\_\_\_

New Homeroom Teacher (fill in after homerooms have been assigned): \_\_\_\_\_

- A parent/guardian should **initial and date** the box(es) for every 5 minutes of practice.
- Please indicate which operation you practiced with **the +, -, x, or ÷ symbol**.
- Return your completed card to Mrs. Brandt during the first week of school to participate in a special themed lunch.

Example: + AW 6/2								

**What is math fact fluency?** Math fact fluency is the ability to recall the answer to math facts (0-10) automatically. (Ex:

**How can I practice math facts?** There are many games you can play to improve fact fluency (search “games to practice math facts.”) Flash cards are still a great way to practice math facts. The sites [www.99math.com](http://www.99math.com), [www.xtramath.org](http://www.xtramath.org) and many apps are available for practice. Investing a few minutes each day will pay off in mastering basic math facts.
