## Yarbrough 5<sup>th</sup> Grade

### Tuesday, October 5<sup>th</sup>

**Mrs. Christi Freeman**  
cmfreeman@auburnschools.org

#### **ELA**

We had a DLR/Flocab quiz today. We will have a spelling quiz on Tuesday, October 13th. Please remind your child to study their 15 new words, and to also review the previous week's words. We are beginning to write our conclusion paragraphs and plan to test on that on Friday. We are working on poetry circles and your student will have to read a poem to the class and explain what the poem means and why they chose that poem. Please ask your child about their poem. We will have a final test on Three Times Lucky on Wednesday. We have been reviewing in class.

#### **Social Studies**

We are continuing on with early civilizations. We will have a project in class in a few weeks and will need empty paper towel rolls. Please start sending them in as you can.

#### **Mark Your Calendar**

- 10/6 Division Study Guide Due
- 10/6 DLR Quiz
- 10/7 Three Times Lucky Final Test
- 10/7 Division Test

#### **Math**

This week in math, we are finishing Chapter 2: Division of Whole Numbers. Our study guide was due today, Tuesday 10/5. Our test will be tomorrow, Wednesday 10/6. We will begin Chapter 3a: Decimal Place Value on Friday of this week.

Need extra math practice at home? To practice the skill we worked on in class that day: tear out the corresponding lesson from the yellow Standards Practice Book. To practice facts and other math skills: use Freckle (an online learning program) choose fact practice to practice math facts or adaptive math to practice a skill!

#### **Science**

This week, we are finishing our study of physical properties of matter. We will wrap up our unit on matter with a science vocabulary test on Thursday, October 8<sup>th</sup>. There is a study guide in your child's science notebook.
