Parents,

We are excited to have an opportunity from the ACES (Alabama Cooperative Extension System) for a virtual field trip next Thursday. We will be learning about Alabama soils and some of our crops: peanuts, sunflowers, pumpkins and cotton. I hope you hear all about it!

We are so glad for cooler weather, but how is it October already? I hope you got a chance to enjoy Chappy's Deli on Tuesday-it was yum! Thanks for your help and support of our classroom and school.
