

# Team Gilmore Newsletter

## January 17, 2025

### Reminders

Everything in Math builds on multiplication. Even though boot camp drills are over, please continue to study facts at home for automaticity and accuracy! We want fact fluency!

### What are we learning? Language Arts

Genre: Myth

Vocabulary Strategy: Build Vocabulary: Distinguish Shades of Meaning Among Verbs

Comprehension Strategy: Introduce the Genre: Mythology; Retell (Recount) and Paraphrase Key Events in a Myth; Explain How Illustrations Support Meaning in a Text

Grammar: Comparatives and Superlatives

Word Study: Long oo and Short oo

Read Aloud: The Superteacher Project by Gordon Korman

### Math

Topic 6: Connect Area to Multiplication and Addition

Topic 12: Understanding Fractions as Numbers

### Important Information

A huge thank you to our PTO! We enjoyed Gordon Korman's visit so much!

Report cards came home on Friday! You may keep the report card, but please sign and return the folder.
